

1. Q: Alcohol Policy – Has it changed?

A: No – it has not changed at all! Alcohol is only allowed after the Lease is closed (shut-down) for the day (i.e., the Silhouette/IPSC/Club Fun Shoot when live-fire has ceased for the day and the RSOs pulled the entrance range flag);

2. Q: Do my Grandkids have to pay the visitor fee as minors when they under 12yrs of age?;

A: No – when they are on vacation at their Grandparents place they fall under the Family mbrship (if the Grandparents have one);

3. Q: Agency use 6 days per year Are Agencies taking up too much time?;

A: So far there was no conflict – partially due to advanced communication with ref to Range Closure date/times;

- Agencies are primarily using the range during slow time, i.e. Mon – Fri and the ranges are always open again after 1600L/1700L for use;
- While it may inconvenient a small nbr of mbrs – it is paramount to have Agency affiliation as it has tremendous value in times of Lease Application with the Provincial Government;
- The statistics show that mbr usage is very low between 0900L-1600L and increases after 1600L;

4. Q: Wpn vs firearm terminology;

A: 1st off – this is more an opinion based question;

When a firearm is load/readied it is generally referred to as a wpn and not a firearm;

...but it really is the argument of an opinion (potatoes vs potatoes or tomatoes vs tomatoes);

5. Q: Is there such a thing as holstered long guns and is it allowed at the range?;

A: Yes there are several types of (legal) long guns that can be holstered;

- Yes it is allowed for personnel who hold the proper qualification to do so;

6. Q: Who is allowed to holster a gun on the Lease;

A: Any personnel qualified: Active/retired law-enforcement professionals, active/retired cbt-arms military personnel, IPSC/IDPA/Cowboy Action Shooter (CAS) qualified personnel and anyone taken the KGAC holster crs;

7. Q: Where can I use a holstered gun;

A: Holstered long gun = rifle range, holstered Handgun = at the Handgun range;

8. Q: Are there exceptions for holstering an unloaded gun;

A: Yes for sanctioned competitions IPSC/IDPA/CAS – a holstered gun can be used at any of the ranges used for that sanctioned event;

- Duty RSO – if the duty RSO engages in live-fire him/her-self and checks on other ranges or responds to an irregularity – it is not expected that the duty RSO – secures and transports the gun every time into his/her vehicle;

9. Q: What is the status of a (unloaded) holstered gun?;

A: Unloaded;

- Pistol = hammer down, empty magazine well;
- Revolver = hammer down, empty cylinder (no cartridges in cylinder);
- Rifles = hammer down or action closed;

10. Q: What is a Dynamic Firing Line (DFL) vs Dynamic Shooting (IPSC/IDPA);

A: A DFL is a firing point forward of a static firing line, it allows a shooter for example firing the rifle from the prone/kneeling/standing position (from the grass);

- DS is firing and movement, in this case a RSO is travelling behind the shooter down range in order to unload the shooter safely at the end of a course of fire and clear the range;

11. Q: Targets - Can I shoot glass bottles if I clean-up?;

A: No glass is not allowed! No change! Only targets made out of wood, paper, cardboard, metal gongs, metal targets, flip-over-targets, clay birds, PVC, rubber (Archery) are allowed;

12. Q: What kind of trgts are allowed to be used?;

A: Any trgt that is legal to be used as a trgt in Canada (as per Canadian Law) and as long as it is made of material mentioned in Question 11;

13. Q: What types of rifles/handguns are allowed to be discharged on the lease?;

A: Any firearm that is legal in Canada and falls within the templates of our individual ranges (.338 mag Lapua, Rifle range, 357 mag HG range, 7 ½ shot Trap range);

14. Q: Where can I discharge a cal.223 Handgun or cal.500 S&W handgun?;

A: A cal.223/.500 HG **MUST BE discharged at the Rifle Range** (cal.338 mag Lapua template) as it is illegal to be discharged under a cal.357 mag template range (HG range);

15. Q: What magazine capacities are allowed on the lease;

A: The magazine capacities for Rifles/HGs are as per legislated Canadian Laws;

16. Q: Where does the Dynamic League Practise take place?;

A: The HG range for the HG strings;

- Rifle range for the carbine/shotgun strings;

17. Q: Must all fire be sighted between the left-of-arc-marker (LOA) and the right-of-arc-marker (ROA)?;

A: Yes absolutely! – as well as between the LOA/ROA of the individual trg banks;

18. Q: Where can I engage my flip-over trgts?;

A: Between the LOA/ROA of the range;

- If cal. 22 is discharged – the entire range [LOA/ROA];
- If center fire is discharged – on center fire side of range;

19. Q: If I have more questions – where can I get accurate information?;

A: Come to the RSO Conversion WS if you are an RSO;

- Take the KGAC RSO course if you are not an RSO;
- If you are not an RSO - ask the CRSO or any up-to-date KGAC RSO;
- Call the club mobile: 1-587-315-1549 - e-mail: kqunclub@gmail.com;

Note: Next **RSO Conversion Workshop** (you must be an RSO) will be held on **Friday – 1800L on 10 JUN 2016 at the Lease**, pls send us an e-mail if you would like to participate (send us: Mbr #, Name/1st name/Mobile)
